

## **RE: DEANESH HOSPITAL LTD ADVERTISEMENT FOR VACANT POSITIONS**

Deanesh Hospital Limited wishes to recruit competent and qualified persons to fill the following positions:

### **1. MEDICAL OFFICER, (1) POST**

**Location:** Kitale, Kenya

**Job Type:** Resident

**Reporting to:** The Director, Clinical Services

#### **Role Overview**

We are seeking a skilled and compassionate Medical Officer to join our team of highly passionate professionals. At Deanesh Hospital, we pride ourselves of always delivering excellent care that is profoundly responsive to the needs of our patients. This recruitment is desired to help strengthen our ability to continue delivering on that promise as per our mission.

#### **Key Responsibilities:**

- i) Diagnosing, caring and treating diseases
- ii) Admitting, discharging and referring patients to specialists
- iii) Performing medical and surgical procedures
- iv) Preparing and responding to emergencies and disasters
- v) Participating in management of medicines, medical instruments and equipment
- vi) Providing health education
- vii) Counselling patients and their relatives on the diagnosis and disease management
- viii) Any other duties as may be assigned from time to time

#### **Requirements for Appointment: -**

The candidate must have the following:

- I. Bachelor of Medicine and Bachelor of Surgery (M.B; Ch.B.) degree from a recognized Institution;
- II. Successfully completed one (1) year internship from a recognized institution;
- III. Registration and practice license from the Kenya Medical Practitioners and Dentists Council
- IV. Proficiency in computer application skills.

### **2. DENTIST, (1) POST**

**Location:** Kitale, Kenya

**Job Type:** Resident

**Reporting to:** The Director, Clinical Services

#### **Role Overview**

We are seeking a skilled, compassionate Dentist to diagnose, treat, and prevent dental conditions. You will be responsible for managing patient dental health, creating tailored treatment plans, and ensuring the highest standards of infection control.

## **Key Responsibilities**

- I. **Patient Consultations:** Perform routine dental exams, interpret X-rays, and diagnose oral diseases.
- II. **General & Cosmetic Procedures:** Execute procedures including fillings, root canals, extractions, crowns, bridges, and teeth whitening.
- III. **Treatment Planning:** Develop comprehensive, individualized oral health and treatment plans for patients.
- IV. **Patient Education:** Instruct patients on proper oral hygiene habits, preventative care, and the use of dental appliances.
- V. **Compliance:** Adhere strictly to safety, infection control, and regulatory guidelines.
- VI. **Team Leadership:** Supervise dental assistants and hygienists to ensure seamless clinic operations.

## **Requirements for Appointment: -**

- I. **Education:** Bachelor of Dental Surgery from a recognized institution.
- II. **License:** Valid, active license to practice dentistry in Kenya.
- III. **Soft Skills:** Excellent interpersonal, communication, and patient-management skills, particularly with anxious patients.
